

PIVOT3 DEMONSTRATES HIGH-DEFINITION VIDEO STORAGE SOLUTION AT U.S. MARITIME SECURITY EXPO

NEW YORK— November 26, 2007 – Pivot3 Inc, the inventor of high-definition storage based on distributed RAID, today announced that the company will participate at the U.S. Maritime Security Expo at the Jacob Javits Convention Center, New York City, N.Y., November 27-28, 2007. The attendees visiting the Pivot3 booth #1001 will be able to view demonstrations of the Pivot3 High-Definition Storage system based on the RAIGE™ (RAID Across Gigabit Ethernet) technology, which increases data security and helps organizations store twice the video while supporting up to five times the data streams of traditional modular storage systems. The Pivot3 IP-based solutions reduce storage infrastructure costs by up to 50 percent, and significantly increase scalability and data availability.

The Pivot3 High-Definition Storage System adds a higher level of data protection across multiple networked storage nodes, called Databanks, which are built using industry-standard x86 servers and disk drives, and are connected via common Gigabit Ethernet. Databanks are added to cost-effectively scale recording capacity and megapixel, high-definition camera support. Each Databank adds processing power, cache, and network ports, contributing to the overall increase in performance and bandwidth.

For more information and to see a live demonstration, visit Pivot3 at booth #1001

About Pivot3

Pivot3 has developed the first successful implementation of distributed data protection utilizing software-based virtual RAID controllers, as well as industry-standard server and networking technology. The Pivot3 block-based infrastructure virtualization solutions, targeting various data-intensive applications such as video surveillance, reduce costs by up to 50 percent and deliver up to five times the performance, with superior data protection. With several patents pending, the company boasts strong intellectual property

and is backed by Lightspeed Venture Partners and InterWest Partners. For more information, please call 1-877-5-PIVOT3 or visit the company's website at www.pivot3.com.
